IN THE SPECIFICATION:

The Specification as amended below with replacement paragraphs shows added text with underlining and deleted text with ~~strikethrough~~.

Please Amend the paragraph beginning at page 30, line 7, with the following paragraph:

Points may be converted into a time period for supplying software information or into the number of software information pieces, and the points will be deducted before or after the presentation of the software. The points may be analogically deducted in proportion to an elapse of time while presenting the service. If the points are gradually deducted according to time for presenting service, present cumulative points and reductions may be ~~platted~~plotted on a graph or displayed as numerals at a customer terminal.
